

▶ CH 002

Highly visible, water repellent gloves feature an acrylic terry cloth shell with a heavy nap, soft brushed interior. The palm of the glove is Sandy dipped with an etched rubber coating that insulates from cold and provides grip in chilly conditions.

FEATURES

- 7-gauge seamless acrylic knit shell
- Puncture-resistant, etched-rubber palm retains flexibility and grip in low temperatures
- Heavy nap soft brushed interior for additional warmth
- Overcast color on hem for easy size identification
 - High-visibility yellow/green
- Knit wrist cuff offers users a secure, comfortable fit and prevents gloves from slipping off during use
